

Ultra Hygienic means ultra safe

Taking Food Safety to the highest level

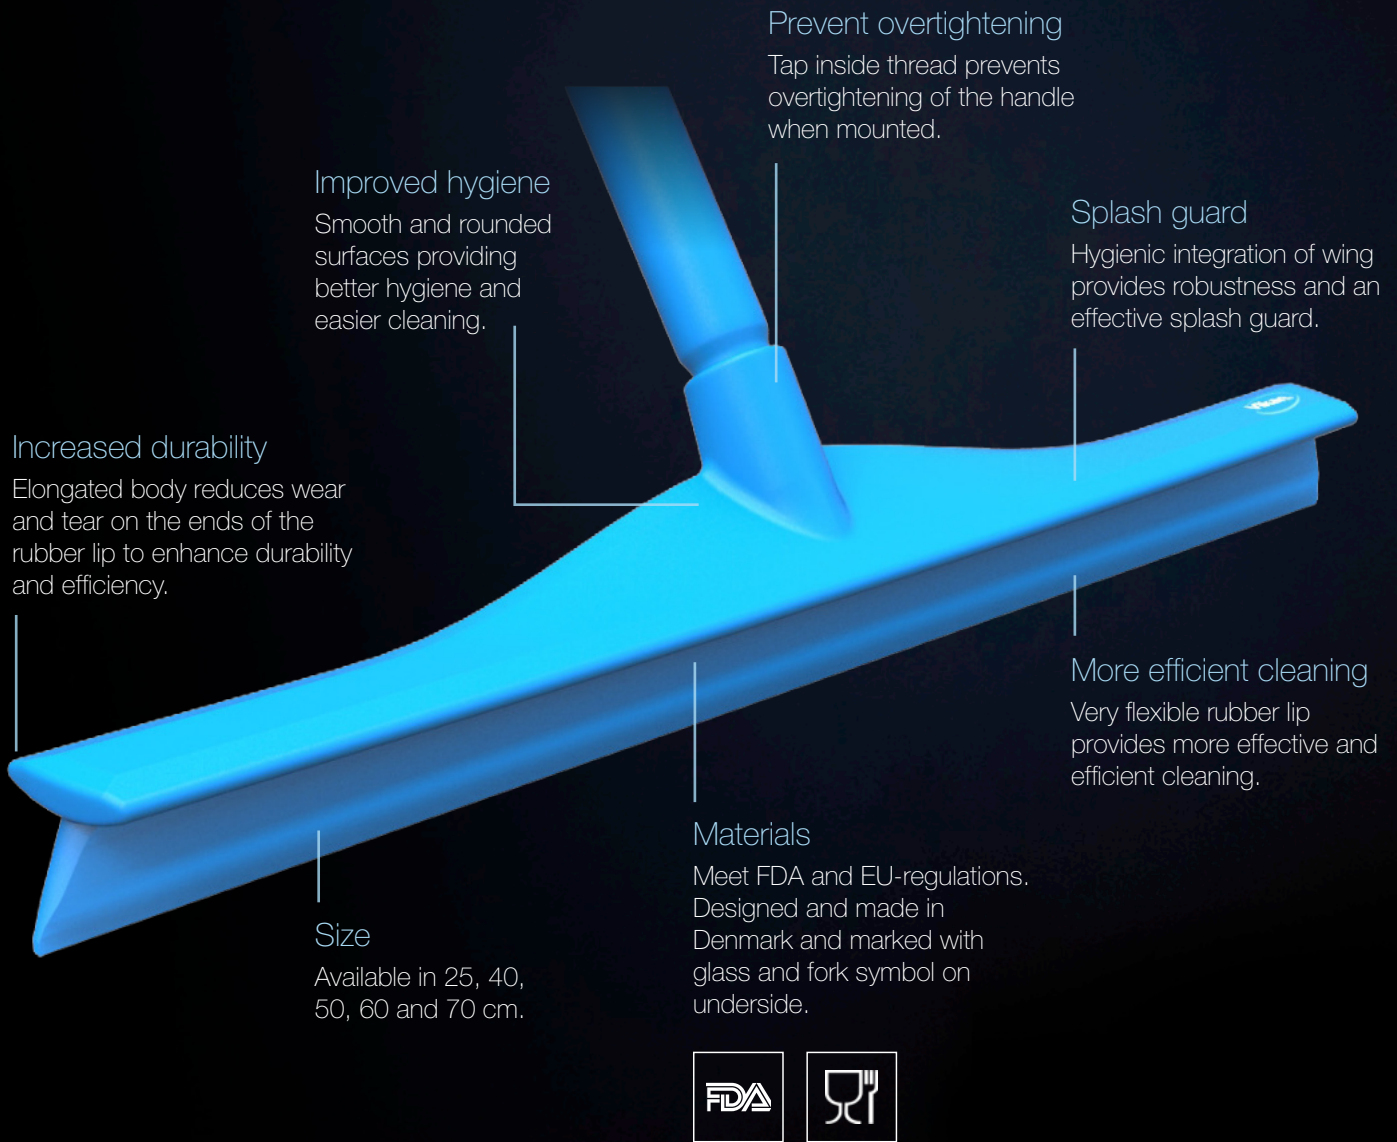

DESIGNED
& MADE IN
DENMARK

The new single-blade squeegee

The ultra-hygienic fully moulded single-blade squeegee is ideal for use in areas requiring the highest level of hygiene and is ideal for use on safety floors.

Prevent overtightening
Tap inside thread prevents overtightening of the handle when mounted.

Improved hygiene
Smooth and rounded surfaces providing better hygiene and easier cleaning.

Splash guard
Hygienic integration of wing provides robustness and an effective splash guard.

Increased durability
Elongated body reduces wear and tear on the ends of the rubber lip to enhance durability and efficiency.

More efficient cleaning
Very flexible rubber lip provides more effective and efficient cleaning.

Size
Available in 25, 40, 50, 60 and 70 cm.

Materials
Meet FDA and EU-regulations. Designed and made in Denmark and marked with glass and fork symbol on underside.
