

GM 80P

# Looking for heavy cleaning but without the weight

# Nilfisk GM 80P is light in weight, but a heavy-duty performer

Mounted on a strong steel trolley with large rubber wheels, the machine is easy to manoeuvre. Ideal for e.g. production lines, chemi/pharma industries, hospitals and offices.

The sturdy aluminium container means that the vacuum cleaner is almost indestructible and therefore especially suitable for rough and heavy duty cleaning.

For special applications, choose between two types of special exhaust filters: Nilfisk HEPA or Nilfisk ULPA, also protecting against allergies.

- Impressive 2100 cm<sup>2</sup> main filter for even and stable airflow and vacuum, even after long use
- HEPA/ULPA filters optional
- Bagless operation possible
- Virtually indestructible aluminium container
- Lightweight but built for years of heavy duty cleaning

## Technical specifications

Description	Unit	GM 80P
Item no.		107410427
Energy efficiency class		<b>D</b>
Annual energy consumption (kWh/annum)		46
Dust pick up on carpets		D
Dust pick up on hard floor		E
Dust re-emission class		G
Sound power level (dB(A) IEC/EN 60335-2-69)		75
Rated power	W	1200
Airflow	l/sec.	38
Vacuum	kPa	20
Suction power	w	270
Sound pressure BS 5415	dB(A)	61
Container capacity	l	12.25
Dust bag capacity	l	6.25
Length x width x height	cm	39x30x41
Weight	kg	5
